Art Unit: 3641

1. The amendment filed on October 16, 2001, canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention as follows. In Papers No. 3 and 5, applicant was required to elect from species identified as A), compositions with metal powder agglomerates, and B) compositions with electro-exploded metal powder. In response thereto, applicants elected Species A), metal powder agglomerates. This species was examined. In response, applicants denied that the claims drawn to Species A) were improper, but cancelled those claims, and presented new claims drawn to compositions solely containing electro-exploded metal powder. These new claims are in accordance with Species B), which stands non-elected.
2. Applicant has received an action on the merits for the originally elected invention, as elected by applicants. Accordingly, claims 22-32 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821+, especially MPEP 821.03.
3. In accordance with recent changes in office policy, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment, e.g., present claims drawn to the originally elected species. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
